Spontaneous Healing

Review of book "Cured" by Dr. Jeffrey Rediger, MD, MDiv

Sunday May 3rd, 2020, 3:00 to 5:00 pm EDT

Zoom Webinar : <https://udel.zoom.us/j/95918638030>

Dr. Jeffrey D. Rediger, MD is on the faculty at Harvard Medical school. He is a board certified psychiatrist and chief of Behavioral Medicine. He has received numerous awards related to patient care. He has been on the Oprah show and Dr. Oz TV Show.

This book is about people who have either halted or reversed the incurable disease. In Super specialist medical community, doctors treat the disease of the person, missing the larger story of the personal life, which has clues and revelations about how best to guide them for healing. The Autor had done extensive research of several individuals who had miraculously cured themselves. Each of them had followed their inner voice and acted upon it, no matter how difficult was their journey.
